- KG reported on the FIAT: The Faith in Action Team are spreading their wings and have started to visit a new residential home, Ravensworth Lodge, in Scarborough. They were invited after staff there had heard of their work in Priceholme. It was our first visit so we introduced ourselves and had a chat and a few boardgames. A great time was had by pupils and residents and I felt very proud of our pupils and their social skills. This month is a busy one for us; the group have already finished making their Christmas decorations for the children's ward at the hospital, they are now rehearsing for mince pies and carols - a small soiree for parishioners and local residents on the 12th December, 1.30 pm. See you all there.

- KS to email GJ regarding Lourdes photos on TV in corridor due to Lourdes display being covered for advent.
